Article 1. Ming Chuan University Procedures for the Reward of Students of Mainland China Exchange Program Earning Certificates (herein referred to as the procedures) are established for encouraging Mainland China Exchange Program students studying at Ming Chuan University (herein referred to as the university) to earn certificates in their professional field.

第三條 本要點所稱之專業證照為經系(所)認可之國內外專業證照。

Article 3. The certificates mentioned in these procedures are those professional domestic or overseas certificates which are approved by the student's academic department.

第四條 凡本校各系大陸交流生專班學生於本校研習期間考取相關專業證照，即符合本要點之申請條件。

Article 4. Every Mainland China Exchange Program student is considered eligible to

participate under these procedures as long as they earn a certificate during their period of study at the university.

第五條 申請學生須於學期結束前檢附考取專業認證證照相關佐證資料提出申請。

Article 6. Students who wish to apply for the reward must submit certificate-related documents before the end of the semester.
